

## French at Amington Heath

### How is this subject taught?

At Amington, French is taught through a carefully planned sequence of lessons, ensuring progressive coverage of the skills required by the national curriculum. Our chosen themes - Time Travelling, Let's Visit a French Town and This Is France - provide an introduction to the culture of French-speaking countries and communities. It aims to foster children's curiosity and help deepen their understanding of the world. A linear curriculum has been chosen to allow opportunity for children to gradually build on their skills. Our French lessons enable children to express their ideas and thoughts in French and provides opportunities to interact and communicate with others both in speech and in writing. At the heart of our French curriculum is the desire to expose children to authentic French, so the scheme offers regular opportunities to listen to native speakers.

Through our French scheme, we intend to inspire pupils to develop a love of languages and to expand their horizons to other countries, cultures and people. We aim to help children grow into curious, confident and reflective language learners and to provide them with a foundation that will equip them for further language studies.

### Is it covered anywhere else?

In addition to the specific French lessons, children also discover more about the French culture and their history through RE lessons, history lessons and Geography lessons.

### Plan for progression

#### How have the skills been planned to ensure progression from Y3 to Y6?

In Lower KS2, children acquire basic skills and understanding of French with a strong emphasis placed on developing their Speaking and Listening skills. These will be embedded and further developed in Upper KS2, alongside Reading and Writing, gradually progressing onto more complex language concepts.

### Enrichment

#### What enrichment opportunities are there?

Key events such as the Olympics, the World cup and European championships allow opportunities to discuss the French culture and experience some of their key cuisines and traditions.
